

TITLE 327 WATER POLLUTION CONTROL BOARD

IDEM'S SUGGESTED CHANGES FOR READOPTION OF RECALLED RULE 327 IAC 16 CONCERNING CONFINED FEEDING OPERATIONS

LSA Document #00-235(F)

The following additional changes were identified after the board packet was sent out.

1. **327 IAC 16-2-11**
 - Delete definition of "Dry confinement operations"
 - Delete entire section 11
 - Renumber sections 12 through 16.5

2. **327 IAC 16-2-46** (renumbered 46, "Wet confinement or lot operations" defined)
 - Delete definition of "Wet confinement or lot operations" defined)
 - Delete entire section 46

These suggested changes are reflected in the change sheet as well as the courtesy copy of the rule with suggested changes integrated, both dated November 7, 2001. These changes were not on the change sheet or courtesy copy sent out with the initial board packet.
